

Press release

1st March 2007

Baptism of a baby giraffe

Erasmus program celebrates its 20th anniversary this year. Part of the celebration is a baptism of a baby giraffe that will be named after Erasmus - „Erasmína“. Students of VSE and CVUT organized the whole event.

„It’s a great success that we have been granted this opportunity. Erasmína will work as a link between students and as a gesture of gratitude we should make the start of her giraffe-life easier. Therefore, we decided to make a collection for her“, says Martina Chládová, the main „giraffe“ coordinator and member of Buddy System. „Students can contribute during Nation2Nation parties every Tuesday or in Buddy System office at RB 548.

The baptism will be held on 24th March at the Prague ZOO in African pavilion. Beginning is scheduled for 13:30. Along with the baptism, there will be a stand providing information about Erasmus program and the whole afternoon will be accompanied by band Zlatý Voči.
